**Subject: Acceptance of Sponsorship from Filipino ACES
(ESOP-USA)**

The Eagle Scouts Organization of the Philippines – Angeles City Chapter has prepared the "Social Accountability Project" at its best. However, the members of the organization needed financial assistance from their brothers from different chapters to make the project more striking than the average. Fortunately, the Filipino – American Convocation of Eagle Scouts (Filipino – American Convocation of Eagle Scouts) answered all the expenses of our ESOP chapter here in Angeles City.

This is to inform the camp administration that the Eagle Scouts Organization of the Philippines accepted an amount of PHP 3,500 from the Filipino – American Convocation of Eagle Scouts (Official ESOP U.S.A chapter) headed by Brother Jay Francis Lee. I, **AA Defensor Manacmol**, medal number 11875, accepted the amount of three thousand and five hundred pesos last November 8, 2010 at 12:38 PM.

Attached here with is the information about the transaction from Western Union Sto, Rosario Branch Angeles City.

Scoutingly yours,

Esc. AA Defensor Manacmol
Chapter Chairman
