Brother Jay Francis Lee

President

Filipino – American Convocation of Eagle Scouts

U.S.A

Subject: **Activity Plan**

For the past weeks, the Eagle Scouts of Angeles City have been preparing for the assigned special activity – **“Social Accountability: Environmental Awareness”**. The organization aims to provide a learning experience for the young scouts through this event. The brothers have prepared activities such as film viewing and photo exhibit for the young scouts to experience for free. Lastly, the organization has prepared a “Garbage Hunt” activity for the application of the activity. In appreciation of the effort of the scouts in garbage hunt, they will receive limited edition button pins from the E.S.O.P – A.C.

Attached here with is the information about the activity as well as the names of Eagle Scouts who will facilitate the special activity in the program.

We are more than thankful and honored for your meaningful support.

Scoutingly yours,

Esct. AA Defensor Manacmol

Chapter Chairman
